NOTICE TO MEMBERS

After nearly 9 years serving as a board member, Chris King has made the decision to retire. We would like to acknowledge and thank Chris for his participation on the Board of Directors. He has seen our group of clubs grow from strength to strength and achieve a significant level of success over the years.

Chris has always been a supportive voice on our Board and his un-wavering commitment to our club's vision "*to make a significant contribution to the quality of community life*" is to be commended. His last day on our Board is April 23, 2024.

At a Special Board meeting held yesterday, the Board unanimously appointed Jessica Jemima Gleeson as an additional director. Jemima comes to the Board as a successful small business owner, together with adding further diversity to the Board. She is an experienced public speaker, has outstanding personal and people skills together with financial and leadership skills. The Board welcome Jemima and look forward to working with her for the future of our clubs.
